Siobhan Kelleher RDH

DENTAL CPD EXPERT
SIOBHAN KELLEHER
Siobhan is an award winning dental hygienist and was recently awarded ‘Person of Prevention’ by the Oral Health magazine. She is the owner of DentalHygienist.ie and co-owner of Dentalcpd.expert. She is a clinical support adviser and educator for Tepe and a trainer and opinion leader for Dentsply Sirona and NSK. Siobhan is the clinical support specialist for Pamex. She presents nationally and internationally in the dental world and regularly contributes articles to a range of industry-leading magazines and newspapers. She works as a dental hygiene coach implementing dental hygiene departments within general practice.

EILISH DUFFY
Eilish graduated in 2008 from the University of Dundee with a BSc in Oral Health Sciences. She spent a number of years working in various practice settings before embarking on a career as a lecturer at the University of Edinburgh. She was primarily involved in the teaching of Undergraduate dental hygiene therapy students on the only four-year honours degree programme in BSc (Hons) Oral Health Sciences. She completed a Postgraduate Certificate in Academic Practice at the University of Edinburgh as well as training including attending the ‘Train the Trainer’ program with Dentsply Sirona in Berlin focusing on the advanced use of Ultrasonic scalers. Eilish is now the acting Course Director for Dental Hygiene at Dublin Dental School, Trinity College Dublin.
